

Tips for Fundraising

FOCUS

Promote your Workplace Sleep Out

Start your fundraising by prominently featuring your company's team fundraising page. Share it in company emails, your email signature, newsletters, and intranet announcements.

Self Donate

Support yourself and kick-start your donations by donating to your own fundraising page first. It is a good way to encourage donations as this will give people an amount to match.

Rally your Team

Increase your impact by gathering your colleagues to join you. Encourage participation from all levels of the company to pool your fundraising efforts.

Spread the Word

Promote your fundraising efforts on your company's social media channels and encourage your colleagues to share posts to maximise the reach of their audiences as well.

Matched Gifts

Find out if your workplace has a matching gift scheme to double your impact and share this information with your colleagues. This can incentivise larger individual contributions.
