

# MAKE SOME NOISE

with your school on Friday May 1st  
for **FOCUS**Ireland

On **Friday 1st May at 11am**, schools across the country will come together for a national moment of music, energy and solidarity to help end child homelessness.

Whether it's a drum roll on desks, a playground singalong, or a chorus of cheers, every sound counts.

**Friday 1st May, 11am**  
**Make Some Noise for one minute**  
**€2 per participating student**

Because when thousands of children across Ireland raise their voices together, it sends a message that cannot be ignored:

**No child should be without a home.**
