

Social Media Guide for Students

Social media is a powerful tool for creating awareness.
Together, we can share the message that homelessness is wrong.

On October 10, my school **School's Name** will be sleeping out against homelessness for **@Focusireland's #ShineALight**, and I'm all in!

The number of children experiencing homelessness in Ireland is at an all time high, and we're taking action.

I've set a fundraising goal of € **[goal_amount]** to help end child homelessness for good. Please consider donating to our school fundraiser here: **[link to fundraising page]**.

Tell them why

There are almost 5,000 children in homelessness in Ireland right now. On Friday 10 Oct, I will be joining my school sleep out for **@Focusireland** with my friends from **School's Name**.

Every one of us has a right to a place we can call home. A desk to do homework at. Somewhere to have friends over. Our own bed to sleep in.

You can support our school fundraiser by donating to my page: **[link to fundraising page]**.
