Social Media Guide for Students

Social media is a powerful tool for creating awareness.
Together, we can share the message that homelessness is wrong.

On October 11, my school **[School Name]** will be sleeping out against homelessness for **@Focusireland**'s **#ShineALight**, and I'm all in!

Homelessness is a big issue, and I'm proud to be a part of the solution.

I've set a fundraising goal of € **[goal_amount]** to support vital homeless services. Please consider donating to our school fundraiser here. **[link to fundraising page]**

Tell them why

There are over 4,000 children in homelessness in Ireland right now.

Every child deserves a safe place to sleep. That's why I will be taking part in the **#SleepOutAgainstHomelessness** for **@Focusireland**'s **#ShineALight** sleep out, proudly supported by **@BordGáisEnergy**.

On Friday 11 Oct, I will be joining my school sleep out with my friends from **[School Name]**. You can support our school fundraiser by donating to my page: **[link to fundraising page]**.
