

Social Media Guide for Community

Social media is a powerful tool for creating awareness. Together, we can share the message that homelessness is wrong.

I'm taking part in **@FocusIreland's #ShineALight** sleep out, proudly supported by **@BordGaisEnergy**, to raise funds and awareness for the fight against homelessness.

Homelessness is one of the most pressing issues of our time. It's a reality for many, and shockingly more and more children. Enough is enough.

Follow us and donate to my fundraising page **<fundraising page link>**.

I will be sleeping out against homelessness for **@FocusIreland's #ShineALight**, proudly supported by **@BordGaisEnergy**.

The number of families entering homelessness continues to rise. As children are particularly vulnerable after they have lost their home, I am acting to ensure they are protected.

As I prepare for the night, I wanted to ask for the support of my friends, family and community. Please join me or donate to my fundraising page: **<fundraising page link>**.
